

# Victory

Kierra Kiki Sheard

I know it may be hard for you because of where you come from  
Broken relationships  
Your hearts been broken and you may feel like there is no hope,  
but God stands with open arms.  
But it's up to you to let God in.  
Until then I say...

Victory is over you.  
Better Days and peace of mind, yeah!  
Victory is over you.  
We declare it,  
So receive it!

I know you may have been left alone and you can't understand why.  
So pride resides in your heart and you won't admit that it's hurting  
you,  
But don't go and leave it in fear,  
But it's up to you to let God in.  
Until then I say...

(2x):  
Victory is over you.  
Better Days and peace of mind, yeah!  
Victory is over you.  
We declare it,  
So receive it!

We speak victory.  
We speak victory.  
Victory over your life! (6x)

If faith is the substance of things hoped for,  
The evidence of things unseen,  
Then we have faith and believe that God will let you see,  
Victory in your life, peace of mind, endless strife,  
So let us celebrate.  
(New life is coming your way!)

Celebrate....new life...New Life is coming your way!  
Celebrate....new life...  
New life Celebrate....new life...  
New life New life is coming your way!

New life is coming your way!  
Celebrate....new life...New Life is coming your way!  
Celebrate....new life...  
New life Celebrate....new life...  
New life New life is coming your way!
