

Wave Your Banner

Kierra Kiki Sheard

K I K I
When you look at me.
Tell me what you see?
Can you tell what I'm all about?
If I never ever said a word,
Would my life just scream it loud

That I'm a C-h-r-I-s-t-I-a-n
That's how I represent!
If you like the music
If you like the music
If you like the music
If you like the music

Wave your banner
Wave your banner
Wave your banner
Wave your banner

Unforgettable
All together wonderful
There ain't no other way to describe
My walk my talk and the way that I feel inside is way to incredible I can never hide.

That I'm a C-h-r-I-s-t-I-a-n
That's how I represent
So if you like it

If you like the music Wave your banner If you like the music Wave your banner
Now it was told to me
When the enemy
Comes in like a flood
(Ah ah ah ah ah ah)
The lord will lift up a standard
It's a banner!
