

You Don't Know

Kierra Kiki Sheard

I can remember my mother told me
Don't let no one speak for me
When it comes down to His blessings
No one can give Him praise for me but me

Just trust God
He'll always come through for you
Yes He will (I know, I know that)
I believe, cause my eyes have seen what
Miracles He can do, mountains that He can move
All things are possible through Him
I'm tellin' you!

You don't know
The blessings that He's given me, you don't know
Like I know
Even if I had a thousand tongues, I'd need more
You should know
What He's done for me, He can do for you
You can tell it, let me tell you
What the Lord has done for me!

Now let me tell you 'bout what He did for my mother
And at the same time took a load off me
Just when the doctor said that is was over
My God He stepped right in and gave her back to me

He's delivered me
Out of hopeless situations (situations)
And the devil used (used to try to break me)
(But here I stand as) A living testimony
All those who's trustin' Him
Put all your faith in Him
They will never be
Defeated or cheated out of the victory!
