You Don't Know

Kierra Kiki Sheard

I can remember my mother told me Don't let no one speak for me When it comes down to His blessings No one can give Him praise for me but me

Just trust God He'll always come through for you Yes He will (I know, I know that) I believe, cause my eyes have seen what Miracles He can do, mountains that He can move All things are possible through Him I'm tellin' you!

You don't know The blessings that He's given me, you don't know Like I know Even if I had a thousand tongues, I'd need more You should know What He's done for me, He can do for you You can tell it, let me tell you What the Lord has done for me!

Now let me tell you 'bout what He did for my mother And at the same time took a load off me Just when the doctor said that is was over My God He stepped right in and gave her back to me

He's delivered me Out of hopeless situations (situations) And the devil used (used to try to break me) (But here I stand as) A living testimony All those who's trustin' Him Put all your faith in Him They will never be Defeated or cheated out of the victory!
