

## You Don't Like What You See (Interlude)

Kierra Kiki Sheard

Chords, Lets go

Looking in the mirror  
Don't like what you see  
Thinking 'bout your failure  
Not realizing what you could be

Looking in the mirror  
You don't like what you see  
Looking in the mirror  
You don't like what you see  
You don't like what you see  
Looking in the mirror  
You don't like what you see  
You don't like what you see  
Looking in the mirror  
You don't like what you see

But don't worry, cause'  
God sees your heart
