

# Hideaway

Kiesza

Taking me higher than I've ever been before  
I'm holding it back, just wanna shout out give me more  
You're just a hideaway, you're just a feeling  
You let my heart escape, beyond the meaning

Not even I can find a way to stop the storm  
Oh, baby, it's out of my control, what's going on?  
You're just a chance I take to keep on dreaming  
You're just another day that keeps me breathing

Baby, I love the way that there's nothing sure  
Baby, don't stop me, hide away with me some more!

Ooh aah aah ooh ooh aah aah ooh  
Ooh aah aah ooh ooh aah aah ooh

You're sending a shiver up my spine might overflow  
You're bringing me closer to the edge, I'm letting go  
You're just a hideaway, you're just a feeling  
You let my heart escape, beyond the meaning

Putting my head into the clouds im floating home  
When you get me going I can't find a way to stop  
You're just a chance I take to keep on dreaming  
You're just another day that keeps me breathing

Ooh aah aah ooh ooh aah aah ooh  
Ooh aah aah ooh ooh aah aah ooh

Baby, I love the way that there's nothing sure  
Baby, don't stop me, hide away with me some more

Bringing me higher than I've ever been before  
I'm holding it back, just wanna shout out give me more  
You're just a hideaway, you're just a feeling  
You let my heart escape, beyond the meaning

Not even I can find a way to stop the storm  
Oh, baby, it's out of my control, what's going on?  
You're just a chance I take to keep on dreaming  
You're just another day that keeps me breathing  
aah aah aah yeah  
You're a day that keeps me dreaming

Ooh aah aah ooh ooh aah aah ooh  
Ooh aah aah ooh ooh aah aah ooh

Baby, I love the way that there's nothing sure  
Baby, don't stop me, hide away with me some more  
Hideaway with me some more
