

Anyway That You Want Me

Kiki Dee

If it's love that you want
Baby you've got it
From the depths of my soul
Baby you've got it

But I've been watching you
And I don't think that's your game
Now there's no longing to explain
Anyway that you want me
Anyway that you take me
Anyway that you make me
Feel part of you
Anyway at all

If there's dreams in your heart
Then love lasts for ever
From the depths of my soul
I'll make them come true

But I've been watching you
And I don't think that's your game
Now there's no need to explain
Anyway that you want me
Anyway that you take me
Anyway that you make me
Feel part of you
Anyway at all

Anyway that you want me
Anyway that you take me
Anyway that you make me
Feel part of you
Anyway at all
Anyway that you want me
Anyway that you take me
Anyway that you make me
Feel part of you
Anyway that you want me
Anyway that you take me
Anyway that you make me
Feel part of you
Anyway at all
Anyway at all
Anyway at all
Anyway at all
