

Stay With Me Baby

Kiki Dee

Where do you go
When things went wrong baby
Who did you run to
And find a shoulder to lay your head upon
Baby wasn't I there
Didn't I take good care of you
No no I can't believe you're leaving me yeah
Stay with me baby (stay with me baby)
Stay with me baby (stay with me baby)
Stay with me baby (stay with me baby)
I can't go on oh no

And who did you turn to
When you needed tenderness
I gave you so much
And in return I found my happiness
Baby what did I do
Baby I was too good too good to you
Stay with me baby (stay with me baby)
Stay with me baby (stay with me baby)
Stay with me baby (stay with me baby)
Remember (remember)
You said you'd always gonna need me
Remember (remember)
You said you'd never ever leave me
Remember (remember)
I'm asking you begging you oh oh
Stay with me baby (stay with me baby)
Stay with me baby (stay with me baby)
Stay with me baby
I said I'd need you love oh baby
Stay stay baby
Stay with me baby
Oh I need your love
I need your love
Stay baby I need your love
