All That He Wants (American Jet Set)

Kill Hannah

american jet set
so young and cinemantic
just start the car and lets go

american jet set
we need our blood stirred, dammit
get off the floor and lets go
like plastic figurines
lay in the back and blast the tape machine

it's all that he wants it's all that he wants and all that he wants is all that he wants and all that he wants is a minute with her

to crash the ball and take her home to break her heart and tear her clothes to feel alive, young and terrified

american jet set heartsick and so dramatic just fill the tank, i've had it like plastic figurines another burn-up on the airwaves

it's all that he wants it's all that he wants and all that he wants is all that he wants and all that he wants is a minute with her

to crash the ball and take her home to break her heart, and tear her clothes to feel alive, young and terrified

take a car, hot-wired and drive out this is an ugly town and we have to get out take a car hot-wired and drive out this is a fucked up town and it's freakin' me out

it's all that he wants it's all that he wants and all that he wants is all that he wants and all that he wants is a minute with her

to crash the ball and take her home to break her heart and tear her clothes to feel alive, young and terrified.
