Kill Hannah

Good soldiers cry  
The battle rages on  
Marching side by side  
One fight for the home

Find your way home  
Home...Find your way home

Don't shake the earth  
Far from the ones we left  
Just take my hand  
I won't let go

Home...Find your way home  
Home...Find your way  
Home  
Find your way  
Find your way home
