

Is Anyone Here Alive?

Kill Hannah

Sunrise always burns my eyes
And outside there may be zombies too
The crawling mice in suits and ties
Are blind to what makes this thing beautiful

Is anyone here alive?!
Is anyone here alive?!
Is anyone here alive?!
Lift up the lids of your eyes!

Sunrise always burns my eyes
But I'm not tired
No, I won't sleep for hours
This city's old and full of ghosts
I can see their skulls
It makes no sense at all

Is anyone here alive?!
Is anyone here alive?!
Is anyone here alive?!
Lift up the lids of your eyes!
