

# Lightbulbs

Kill Hannah

oh my love this time, this time  
we've talked and i've told them  
that they've no spines  
so no more like this time again  
because we float out of light  
i'm out of it

all the lightbulbs glow  
all the lightbulbs glow  
we don't plan on burning out  
we don't plan on burning out  
we don't plan on burning out

if they're spinning around  
they'll get all tangled in  
what we go thru  
so they're spinning around  
well at least you're not standing still

all the lightbulbs glow  
all the lightbulbs glow  
maybe if you color yourselves in fire  
maybe if you color yourselves in fire  
maybe if you color yourselves in fire

color yourselves in yourselves(in fire)  
color yourselves in yourselves(in fire)  
color yourselves in yourselves(in fire)
