

# Love You To Death

Kill Hannah

Open your eyes  
We're here. are you ok?  
I'd give all i have just to get you to stay  
For so many years in my dreams things were changing  
But always your face was the same  
Love you to death When you opened up what you said, it was so sad  
That no one would notice if you ran away  
Then your mascara it ran, don't you vanish tonight  
I'm alive just to say:  
Love you to death And they say  
That we're living in a movie world  
So they say, but does the hero get the girl in the end?  
Love you to death  
(does the hero get the girl) In..the..end
