

## Reagan

Killer Mike

Our government has a firm policy not to capitulate to terrorist demands. That no-concessions policy remains in force, despite the wildly speculative and false stories about arms for hostages and alleged ransom payments, we did not, repeat, did not trade weapons or anything else for hostages, nor will we

The ballot or the bullet, some freedom or some bullshit  
Will we ever do it big, or keep just settling for little shit

We brag on having bread, but none of us are bakers  
We all talk having greens, but none of us own acres  
If none of us own acres, and none of us grow wheat  
Then who will feed our people when our people need to eat

So it seems our people starve from lack of understanding

Cause all we seem to give them is some balling and some dancing

And some talking about our car and imaginary mansions  
We should be indicted for bullshit we inciting  
Hella children deaf and pretending it's exciting  
We are advertisements for agony and pain  
We exploit the youth, we tell them to join a gang  
We tell them dope stories, introduce them to the game  
Just like Oliver North introduced us to cocaine  
In the 80s when the bricks came on military planes

A few months ago I told the American people I did not trade arms for hostages. My heart and my best intentions still tell me that's true, but the facts and the evidence tell me it is not

The end of the Reagan Era, I'm like number twelver  
Old enough to understand the shit'll change forever  
They declared the war on drugs like a war on terror  
But it really did was let the police terrorize whoever  
But mostly black boys, but they would call us "niggers"  
And lay us on our belly, while they fingers on they triggers

Their boots was on our head, their dogs was on our crotches

And they would beat us up if we had diamonds on our watches

And they would take our drugs and money, as they pick our pockets

I guess that that's the privilege of policing for some profit

But thanks to Reaganomics, prisons turned to profits  
Cause free labor is the cornerstone of US economics  
Cause slavery was abolished, unless you are in prison  
You think I am bullshitting, then read the 13th Amendment

Involuntary servitude and slavery it prohibits  
That's why they giving drug offenders time in double digits

Ronald Reagan was an actor, not at all a factor

Just an employee of the country's real masters  
Just like the Bushes, Clinton and Obama  
Just another talking head telling lies on teleprompters  
If you don't believe the theory, then argue with this  
logic  
Why did Reagan and Obama both go after Qaddafi  
We invaded sovereign soil, going after oil  
Taking countries is a hobby paid for by the oil lobby  
Same as in Iraq, and Afghanistan  
And Ahmadinejad say they coming for Iran  
They only love the rich, and how they loathe the poor  
If I say any more they might be at my door  
Who the fuck is that staring in my window  
Doing that surveillance on Mister Michael Render  
I'm dropping off the grid before they pump the lead  
I leave you with four words: I'm glad Reagan dead
