

Astral Boy

Killing Heidi

Astral Boy your're so high,
will you ever come down

soaring over everyone,
you bigger than the stars,
ohh ohh ohh

Astral boy your're so hot,
will you ever melt?
flying so close to thse sun,
now you know how i felt,
ohhh ohh ohhhh.....

Now your're cold, your're so alone,
sitting on the floor
Hardwood boards and abstract thoughts,
gesture to the door
ohh ohh ohhhh
