

## To Fly

Killing Heidi

This has been so surreal  
It's like a dream  
Everything it's so shit, is what you mean

I, cause I want to fly, to fly, to fly  
I want to fly, to fly, to fly, to fly

Deeper I go I find what to say  
When I stop you were there  
You're watching me

I, cause I want to fly, to fly, to fly  
I want to fly, to fly, to fly, to fly  
And I feel it, now I feel it, now I feel it  
I feel I feel I feel  
Now I feel it, now I feel it...

I feel I need I breathe I see  
The pressure building up on me  
And I need to leave  
I'm waiting for the time

And I, I want to fly, to fly, to fly  
I want to fly, to fly, to fly  
And I feel it, and I feel it, yeah I feel it  
I feel I feel I feel  
Oh I feel it, yeah I feel, and I want to fly  
To fly...
