## **To Fly**

**Killing Heidi** 

This has been so surreal It's like a dream Everything it's so shit, is what you mean I, cause I want to fly, to fly, to fly I want to fly, to fly, to fly, to fly Deeper I go I find what to say When I stop you were there You're watching me I, cause I want to fly, to fly, to fly I want to fly, to fly, to fly, to fly And I feel it, now I feel it, now I feel it I feel I feel I feel

Now I feel it, now I feel it...

I feel I need I breathe I see The pressure building up on me And I need to leave I'm waiting for the time

And I, I want to fly, to fly, to fly I want to fly, to fly, to fly And I feel it, and I feel it, yeah I feel it I feel I feel I feel Oh I feel it, yeah I feel, and I want to fly To fly...
