

## Depthcharge

### Killing Joke

In the ignorance of night  
As the owl is taking flight  
In the garden of bliss  
With the Black Isis

Depthcharge...  
Depthcharge, Kali, Kali, Kali

Lying in front of the box  
Dead as a rock  
The wish-fulfilling tree  
At the bottom of the sea

Depthcharge...  
Depthcharge, Kali, Kali, Kali

I don't see the stars  
Can't touch the grass  
I don't feel the tides  
Tight as Kali's smile

Depthcharge...  
Depthcharge, Kali, Kali, Kali

(No more beautiful, no more terrible)
