

## Frenzy

## Killing Joke

I found my way  
I walk towards the new day  
Left my conscience way behind  
Tumble-tumble here we go

I found my way

Sun in my blood now  
Tumble-tumble here we go

Leave it all behind  
Saw the cities come and go  
Tumble-tumble here we go

Faster we go  
Leave it all behind  
Saw the cities come and go  
Then i saw beyond
