Money Is Not Our God

Nine tenths of the law than sic Is possesion Life expressed in matter is a blasphemy Success defined by aquisition stinks! So busy trying to make a living i forgot about living Yes i do So busy trying to make a living i forget about life The best things i found in life were my birthright Green fields mean more to me than a brand new car Will you swap your hi-fi for a clear blue sky? Will you cash in all your shares for Gods clean air? Is your answer yes, or no, to these painful truths? Is your answer yes, or no, to these painful truths? Do you grovel to your master? Do you beg like a dog? First things first, repeat to yourself AHHH MONEY!, Money is not our GOD! Mine! The best things in life are free Mine! I own the beach and the blazing sunset Mine! I own the waves and the fresh air Mine! I drink the milk of the stars in this beautiful moment Say to yourself ALL THESE THINGS ARE MINE! Repeat after me! Money's not our God

Do you grovel to your master? Do you beg like a dog? First things first,repeat to yourself AHHH MONEY!
