

Walking with Gods

Killing Joke

Fight by day, fuck by night prepare to die at anytime
enemy smash me down i still come back for more each round

Salvation's not just a pill to escape but your skill fight on f
ight on until death intervenes
against all odds overcome all logic, reason walking with gods, f
eeling high, 'cos i've entered eden

Tribal mentality, our reality not held back by hypocrites moral
ity don't underestimate our resolve each and every dog has his
day

Salvation's not just a pill to escape but your skill fight on f
ight on until death intervenes
against all odds overcome all logic, reason walking with gods, f
eeling high, 'cos i've entered eden

(?) just other push yourself your limit of human endurance

Outnumbered we are few tasted blood now come for you you the ho
ur, you the place, you our destiny we embrace

Salvation's not just a pill to escape but your skill fight on f
ight on until death intervenes
against all odds overcome all logic, reason walking with gods, f
eeling high, 'cos i've entered eden
against all odds overcome all logic, reason walking with gods, f
eeling high, 'cos i've entered eden
