

## Whiteout

### Killing Joke

Leave my body lose myself  
Leave this planet and leave this hell  
Born in the east die in the west  
I never rest i never rest - whiteout

Backwards backwards lose all time  
Intellect made us blind  
Analysis paralysis  
Analysis paralysis - whiteout

Hear dog bark don't ask me why  
Be born grow old with grace and die  
Salmon leap sower reap  
As crow flies so heat rise - whiteout

Need to fill drink this wine  
Knock back the juice see the signs  
Leave my body lose myself  
Leave this planet leave this hell - whiteout
