

Whiteout

Killing Joke

Leave my body lose myself
Leave this planet and leave this hell
Born in the east die in the west
I never rest i never rest - whiteout

Backwards backwards lose all time
Intellect made us blind
Analysis paralysis
Analysis paralysis - whiteout

Hear dog bark don't ask me why
Be born grow old with grace and die
Salmon leap sower reap
As crow flies so heat rise - whiteout

Need to fill drink this wine
Knock back the juice see the signs
Leave my body lose myself
Leave this planet leave this hell - whiteout
