## Eye of the Storm

## **Killswitch Engage**

As time goes by Nothing has changed I wont stand and watch You wither away

After all this time I stand by you Through all of the years I've been with you

Through pain and affliction With every addiction I will never let you down

I will live by this code! Never surrender You and I are one

Through the eye Of the storm You are never alone Even through, the shadows You are never alone

After all this time Still you struggle Even words of love Ring so hollow

I have no regrets I have no remorse And if you falter I wont let you down

Through the eye Of the storm you are never alone Even through, the shadows You are never alone

Come on

Together we stand Never fall No matter the trial We will overcome Together we stand Never fall No matter the Trial We will overcome

Through the eye Of the storm You are never alone Even through, the shadows You are never alone Never Together we stand Never fall No matter the trial We will overcome We will overcome
