

For You

Killswitch Engage

The finest parts of me,
are only shades of you.
To put aside the ties that bind
is the goal of man.

I give my word
to stand the test of time.
No more wasted days
The past must perish

The line is drawn
I pledge my devotion
There is no turning back
This heart is yours
I sacrifice for you (FOR YOU 2x)

This is immortal

The finest parts of me
are only shades of you.
With each passing day
this heart is endless.
No more wasted time
We are immortal

The line is drawn
I pledge my devotion
There is no turning back
This heart is yours
I sacrifice for you (FOR YOU 2x)

This is the everlasting
This is immortal

Your words, are my inspiration
Your life, the image of perfection
For all you are, for all you've done
stands to be in a reflection

The line is drawn
I pledge my devotion
There is no turning back
My heart is yours
I sacrifice for you (FOR YOU 2x)

This is the everlasting
This is immortal
