

Hate by Design

Killswitch Engage

Yeah!

Born into this world of hatred.

We are born free
from the restraints of this society,
helpless to what is instilled.

(Yeah)

To all those who raise us, mold us, and shape us:
there is a time to separate,
from this.

A reason why, a state of mind,
there's a disconnection.
A judgement made.
Fueled by hate, it's your mistake,
it's a choice you made.
It's tearing us apart.

Hate,
hate by design,
is destroying our lives.
Seek to find,
some understanding.
Redefine your life!

Consequence, effected
in a life that is rejected,
anger misplaced.
A burden on our hearts,
that's keeping us apart,
no love,
no understanding.

What we design is hate inside,
a misconception,
a judgement made.
(a judgement made)

It's our mistake,
what we create,
when we lose compassion,
it's tearing us apart.

Hate,
hate by design,
(hate by design)
is destroying our lives
Seek to find
(we'll seek to find)
some understanding,
redefine your life!

Redefine your understanding.
Redefine your own life.
(go!)

Hate,
hate by design,
(by design)
is destroying our lives,
(our lives)
seek to find,
some understanding.

Redefine your life!
