

# I Am Broken Too

Killswitch Engage

You carry this weight trying to cover your mistakes  
To make it seem like nothing could ever break you

But I see right through 'cause I am broken too  
In all the same places as you  
And if you needed proof, I'll reopen my wounds  
Reopen my wounds, yeah

I see myself in you  
I know you can make it through

If you needed proof, I'll reopen my wounds  
In all the right places for you  
So now you see the truth that you are broken too  
I'll reopen my wounds for you

I keep making the same mistakes just to feel alive again  
It's the only way to break on through  
So stop numbing all the pain  
'Cause it just won't go away  
If you only knew how much I needed you

And if you needed proof, I'll reopen my wounds  
In all the right places for you  
I can see the truth 'cause I am broken too  
I am broken too  
Broken just like you
