

My Last Serenade

Killswitch Engage

This is my last serenade
This is my last serenade

This revelation is the death of ignorance
Tangled in a state of suffocation
Slave to self righteousness
Damnation is on your lips

From sorrow to serenity
The truth is absolution
From sorrow to serenity
It's on your head

This is my last serenade
I feel you as you fall away
This is my last serenade
From yourself, you cannot run away

It's your choice, point the finger
But it's on your head
Your destination is a choice
Within yourself

Will you rise or become a slave
To self righteousness
Open up your heart
And gaze within

From sorrow to serenity
The truth is absolution
From sorrow to serenity
It's on your head

This is my last serenade
I feel you as you fall away
This is my last serenade
From yourself, you cannot run away
