

# Reckoning

Killswitch Engage

You are no God to me  
You are nothing to me  
This is a reckoning

Enjoy this while it lasts  
It won't be long before it dies

You've stolen lives and broken dreams  
No man can be a deity

You are no God to me  
This is a reckoning  
You are nothing to me  
This is a reckoning

Was the penance not enough?  
Was faith not enough?  
No man can be a deity

You are no God to me  
This is a reckoning  
You are nothing to me  
This is a reckoning

And I will be there  
To see you fall  
You are no God to me  
There is a reckoning

The betrayed will now see the truth  
And the broken-hearted will finally re-hear  
You will be judged  
And you will be found wanting  
And we'll be there to see you fall

You are no God to me  
This is the reckoning  
You are nothing to me  
This is a reckoning

And I will be there  
To see you fall  
You are no God to me  
There is a reckoning
