

# You Don't Bleed for Me

Killswitch Engage

There is something that has changed  
Corrupted in your ways  
Recite your contradictions  
This world's perception has been grazed, distracted and dismayed  
But you have all the answers for me

It's clear to me now you're not what you claim  
You don't speak, you don't speak for me  
There is no mistake, it's written on your face  
You don't bleed, you don't bleed for me  
Bleed for me

When the scales fall from our eyes, we see proof behind the lies  
I don't believe a word you say

It's clear to me now you're not what you claim  
You don't speak, you don't speak for me  
There is no mistake, it's written on your face  
You don't bleed, you don't bleed  
You don't bleed for me

Fly your flag of righteousness  
When underneath it is deviousness, it is greed and lies  
Don't pretend to know me you martyr of disgrace  
With your plastic smile  
I don't believe a word you say  
You don't speak for me  
You don't bleed, you don't bleed  
You don't bleed for me  
For me

Your words betray  
The life that you live is a lie  
The truth remains  
I see through you

It's clear to me now you're not what you claim  
You don't speak, you don't speak for me  
There is no mistake, it's written on your face  
You don't bleed, you don't speak  
You don't bleed, you don't bleed for me  
You don't bleed for me
