## I'll Keep Holding On

I keep holding on I'll keep holding on

Time is filled with swift transition Naught of earth unmoved can stand Build your hopes on things eternal Hold to God's unchanging hand

Just keep holding on Just keep holding on

Trust in Him who will not leave you Whatsoever years may bring If by earthly friends forsaken Still more closely to Him I cling

Hold to His hand God's unchanging hand Hold, hold, hold on

Hold to His hand God's unchanging hand Hold, hold, hold on

Hold to His hand God's unchanging hand Hold, hold, hold on

Hold to His hand God's unchanging hand Hold, hold, hold on

Hold, hold, hold, hold Get a real good grip Get a real good grip Get a real good grip Get a real good grip

No no no no, no no no no No no no no, no no no Hold, get a real good grip No no no no

Hold to His hand God's unchanging hand Hold hold, hold on **Kim Burrell**
