

It Takes Time

Kim Carnes

Let it be soon don't hesitate
Make it now don't wait
Open your heart and let my love come in
I want the moment to start when I can fill your heart with

More love and more joy than age or time could ever destroy
Oh honey, now my love will be so sound
Gonna take about a hundred life times
To live it down, wear it down and tear it down

This is no fiction, this is no act
This is real it's a fact
I'll always belong only to you
And each day I'll be living to, make sure I'm giving you

More love and more joy than age or time could ever destroy
Oh honey, now my love will be so sound
It'll take a hundred life times
To live it down, wear it down and tear it down

As we grow older no need to fear
'Cause when you need me I'll be here
I'll be beside you every step of the way
A heart that's truthful and is keeping it youthful with

More love and more joy than age or time could ever destroy
Oh honey, now my love will be so sound
It'll take a hundred life times
To live it down, oh wear it down and tear it down

I wanna give you more love and more joy
Than age or time could ever destroy
Oh honey, now my love will be so sound
Just to live it down, I wanna give you more love and more joy
Than age or time could ever destroy
