

Just to See You Smile

Kim Carnes

Whenever you feel something's not alright
Whether it's 8 in the morning or late at night
I'll be there on the double, i'll be there in a hurry
To make things right
Coz you know that for me,
All i want, all i need
Is for you to be happy
If it's 3 in the morning and you need ice cream
I'll go buy it and be there at 3: 15
No matter the time, no matter the distance
i'll come to you
Coz you know that you are
All i want, All i need
All i need is for you to be happy
To never feel lonely
To know that i'm there for you,
all the time
I'll color the sky for you

I'll color the sky for you
Red, white, green or blue
Anyway you want to
Just to see you smile
I would buy you that dress
I would buy you the mall
And if you like my sweatshirts, You can have them all
No matter the price, no matter the number
I wouldn't care
Coz if it makes you smile
Then its all i want, its all i need
All i need is for you to be happy
To never feel lonely
To know that i'm there for you, All the time
I'll color the sky for you
Red, White, Green or blue
Anyway you want to
Just to see you smile
I'll color the sky for you
Red, White Green or Blue,
Anyway you want to
Just to see you smile.
