If I told you tonight that I loved you Would you walk my way would you say Lies that I wanted to hear
If I told you tonight that I need you Would you break my heart would you start Wearing me down again

I feel so lonely when I'm with I'm with you But I'm so lonely when you're gone I can't live with you I can't live without you I still hold on

If I told you tonight I was leaving Would you call my name take the blame Turn it all around again 'Cause you know I love you And worth the heartbreak we make But I still hold on I still hold on

I feel so lonely when I'm with I'm with you
But I'm so lonely when you're gone
I can't live with you
I can't live without you
I still hold on
