

Warm Love

Kim Carnes

Look at the ivy on clingin' wals
Look at the flowers and the green grass so tall
It's not a matter of when push comes to shove
It's just the hour on the wings of a dove

That's just warm love
It's just warm love

I dig it when you're fancy dressed up in lace
I dig it when you have a smile on your face
This inspiration's got to be on the flow
These invitations got to see you to know

It's just warm love
It's just warm love
And it's everpresent everywhere
And it's everpresent everywhere
Warm love
And it's everpresent everywhere
And it's everpresent everywhere
That warm love

To the country I'm goin'
Lay and a laugh in the sun
You can bring your guitar along
We'll sing some songs and have some fun
The sky is cryin' and it's time to go home
And we shall hurry to the car from the foam
Sit by the fire and dry out our we clothes
Outside it's rainin' from the skies up above

Inside it's warm love
Inside it's warm love
And it's everpresent everywhere
And it's everpresent everywhere
Warm love
