

You Are Everything

Kim Carnes

Today I saw somebody who looked just like you
He walked like you do I thought he was you
And as he turned the corner I called out your name
I felt so ashamed cause it wasn't you wasn't you

You are everything and everything is you
You are everything and everything is you
You are everything and everything is you

How can I forget when each face that I see
Brings back memories of being with you
I just can't go on living life as I do
Comparing each one with you
Because they just won't do
They're not you

You are everything and everything is you
You are everything and everything is you
You are everything and everything is you

You are everything and everything is you
You are everything and everything is you
You are everything and everything is you
You are everything and everything is you
You are everything and everything is you
You are everything and everything is you
