

# You Make My Heart Beat Faster (And That's All That Matters)

Kim Carnes

A combination makes the spark  
We fuel the fire then watch it grow  
A stimulation to the heart  
I lose my head  
Out of control

Pulling me over, running me through  
I'd be right there in a beat (beat) boy  
I'd do anything to be with you  
I lose my breath  
Out of control

You make my heart beat faster  
And that's all that matters  
You make my heart beat faster  
And that's all that matters  
You make my heart beat faster  
And that's all that matters  
You make my heart beat faster  
And that's all that matters

Imagination turn the key  
Snap the shot  
It's in my head  
Anticipation grabbing me  
I lose my breath  
Out of control

A combination makes the spark  
We fuel the fire then watch it grow  
A stimulation to the heart  
I lose my head  
Out of control
