

Addicted

Kim-Lian

you're such a cool guy - you're a changer
you're living out the second hand life
but at the same time you wear Tacchini
investing money to be trendy

baby i dig you so

'cause i'm addicted to the rocker in you
i'm a fan of yours - i'm hitting the floor
there's something we've got
a permanent crush
i'm in the need for this adrenaline rush
'cause i'm attached to whatever you do
yeah yeah yeah - i'm addicted

you're such a tasty pretty baby
worn out jeans cover your ass
i wanna please you - investigate you
and God knows maybe i will keep you

baby i need you so

'cause i'm addicted to the rocker in you
i'm a fan of yours - i'm hitting the floor
there's something we've got
a permanent crush
i'm in the need for this adrenaline rush
'cause i'm attached to whatever you do
yeah yeah yeah

now that i've got you babe

i wanna shout it out
let everybody see that you belong to me
you're mine - you're mine
only mine - yeah

'cause i'm addicted to the rocker in you
i'm a fan of yours - i'm hitting the floor
there's something we've got
a permanent crush
i'm in the need for this adrenaline rush
'cause i'm attached to whatever you do
yeah yeah yeah

i'm addicted
there's something we've got
a permanent crush
i'm in the need for this adrenaline rush
