

# Alana Loves Me

Kim Mitchell

The only time that I loved I was brave  
And I was out of breath every day  
I was frightened of feeling this way  
But I never had such peace of mind  
Peace of mind

(Be brave)  
Alana loves me  
(Be brave)  
Yes, Alana loves me  
All at once, someone to live for  
(Be brave)  
Alana loves me  
(Be brave)  
Yes, Alana loves me  
All at once, someone to live for  
(Be brave)  
Alana loves me  
(Be brave)  
Yes, Alana loves me

Now I know that I can love again  
And now those bad dreams will go away  
I was frightened of feeling this way  
But now I have such peace of mind  
Peace of mind

(Be brave)  
Alana loves me  
(Be brave)  
Yes, Alana loves me  
All at once, someone to live for  
(Be brave)  
Alana loves me  
(Be brave)  
Yes, Alana loves me  
All at once, someone to live for  
(Be brave)  
Alana loves me  
(Be brave)  
Yes, Alana loves me

And all the time, I'm living just to love her  
And all at once, I have someone

(Be brave)  
Alana loves me  
(Be brave)  
Yes, Alana loves me  
Someone to live for  
(Be brave)  
Alana loves me  
(Be brave)  
Yes, Alana loves me  
Someone to live for  
(Be brave)  
Alana loves me

(Be brave)  
Yes, Alana loves me  
Someone to live for  
(Be brave)  
(Be brave)
