

Get Lucky

Kim Mitchell

so you wanna know how much we can love
why don't you take a picture
we can get so high on love
that we can make your arms and legs cross
'cause we got adolescent liquid hearts
mad and bad make up our souls
the more moral you get the more oral we get
we're just into oceans l'amour

GET LUCKY BOYS AND GIRLS
PUT YOUR FACE TO THE WORLD
GET LUCKY BOYS AND GIRLS
PUT YOUR FACE TO THE WORLD
GET LUCKY BOYS AND GIRLS
PUT YOUR FACE TO THE WORLD
GET LUCKY BOYS AND GIRLS
PUT YOUR FACE TO THE WORLD

so you think we're into critical passion
adolescent tears could fill a bowl
naked is the dance you see
just how friendly we can be
'cause we got adolescent liquid hearts
mad and bad make up our souls
the more moral you get the more oral we get
we're just into oceans l'amour
