

# I Am A Wild Party

Kim Mitchell

I have great expectations  
I can represent this nation  
I am a wild party

Ooh, I am a late bloomer  
Ooh, I was ugly as a child  
Pimples on my pimples and scabs on my scabs  
I've got pretty dimples and my face has class

I am a wild party  
I am a wild party  
Shakin' like a human being

Ooh, and here come I in a limo  
Yeah, I gotta crawl out through the goddamn window, yes I am  
I'm rude and I'm crude but I give good thang  
I've got pretty dimples and my face has class

I am a wild party  
I am a wild party  
I am a wild party  
Shakin' like a human being

Shakin' like a human being

I know I'm a lotta feathers and not much chicken  
I know I'm a lotta feathers and not much chicken

Shakin' like a human being  
I'm shakin' like a human being

I am a wild party  
I am a wild party  
I am a wild party
