

# Meet the Parents

Kim Petras

One, two

I could take you to the beach  
I could fly you out to Paris  
I could take you to New York  
But you'll never meet the parents  
I could take you to LA, yeah  
We could take it to the bay, yeah  
I could take you to Miami  
But you'll never meet my family, no

I could get you Gucci, I could get you Fendi  
I could get you Loboutins, I could get you plenty  
I could get you Prada, I'll get you a lotta  
I could get you Louis, but you ain't getting to me

That's facts, I make more than your dads  
Need it all in advance, mind's only focused on the bands

I could take you to the beach  
I could fly you out to Paris  
I could take you to New York  
But you'll never meet the parents  
I could take you to LA, yeah  
We could take it to the bay, yeah  
I could take you to Miami  
But you'll never meet my family, no

Yeah, yeah, yeah

I can make you famous, I can make you crazy  
I can make you fall in love, but I still ain't your baby  
I can make you cum (cum), I can make you fun (fun)  
I can make you feel good, but I stil ain't the one

That's facts, I make more than your dads  
Need it all in advance, mind's only focused on the bands

I could take you to the beach  
I could fly you out to Paris  
I could take you to New York
