Pretty Picture

Kim Richey

Aren't you a pretty picture
In your finest disarray
You make me wanna love you
More than any words I know to say

Heartaches come and heartaches go You're the best I've ever known Aren't you a pretty picture

Why does it always have to rain on Sunday? Rain on Sunday, rain on Sunday

Heartaches come and heartaches go You're the best I've ever known Aren't you a pretty picture
