

Feelin' Me

Kim Sozzi

Are you feeling me like i'm feeling you right here
right now
Are you feeling me like i'm feeling you right
here right

now everybody's uptight tonight
I don't care what i wear or what they say about us i just wanna
dance i just wanna lose myself i just want the chance to finally
let it go

Are you feeling me like i'm feeling you right here
right now
Are you feeling me like i'm feeling you right here
right now

Everything a sensual ritual
I don't need to be anywhere but where i am i just want the passion
i just wanna lose myself
I don't wanna speak fairytale (tale)
wanna be with me like i be with you so deep inside i melt in your
eyes

Are you feeling me like i'm feeling you right here
right now
Are you feeling me like i'm feeling you right here
right now

Are you feeling me like i'm feeling you right here
right now
Are you feeling me like i'm feeling you right here
right now

Melting hands echo kisses glistening like lovers
Transcending the flow we're on liquid wings we fly
Are you feeling it are you feeling it
Are you feeling me like i'm feeling you are you feeling it are you
feeling it
Are you feeling me like i'm feeling you right here right now
