

Alive

Kim Walker-Smith

You breath your life into my lungs
You bring to life these dry bones
I know that you're alive

you called me one you love your own
In my heart you made your home
I know that you're alive
I'm coming alive

you called me one you love your own
In my heart you made your home
I know that you're alive

I'm coming alive
I'm coming alive
I'm coming alive

We will make him known
Jesus is alive
He's alive

We will shout it out
Jesus is alive
He's alive

To all the dry and weary souls
Take joy
Take heart
Be filled with hope
I know that He's alive

To all the ones who have no home
Get up and run you're going home
I know that He's alive

I'm coming alive
I'm coming alive
I'm coming alive

We will make him known
Jesus is alive
He's alive

We will shout it out
Jesus is alive
He's alive
