

Healing oil

Kim Walker-Smith

You are, You are the miracle man
Oh, You healed me, God

I can feel Your healing oil, running down my brow
I wouldn't trade another lifetime for how I feel right now

I wouldn't trade another lifetime, no, for how I feel with You,
Jesus, yea

I can feel Your healing oil, running down my brow
I wouldn't trade another lifetime for how I feel right now

Oh, healing oil
Let it flow, let it flow, yes
Oh, I wouldn't trade anything for how I feel with You, Jesus, y
es
Lift your shout tonight, lift your voice tonight, Jesus, yea

I can feel Your healing oil, running down my brow
I wouldn't trade another lifetime for how I feel right now
In Your presence Jesus
You healed me, God, You healed me yea
You healed me yea
You healed me yea, oh I could feel it

I can feel Your healing oil, running down my brow
I wouldn't trade another lifetime for how I feel right now

You're so amazing God, yea
Beautiful You are, You are, You are, yea
Amazing, amazing God, beautiful You are, Jesus, yea

I can feel Your healing oil, running down my brow
I wouldn't trade another lifetime for how I feel right now
