

## Oh Beautiful

Kim Walker-Smith

King of hope you came for me  
Poured out your blood unto victory  
Giver of life, you set me free  
Oh beautiful, oh beautiful

The purest of love a mystery  
No matter the cost, you gave chosen me  
Giver of life, you rescued me  
Oh beautiful, oh beautiful

Abba Father, I am washed in the water by your love that will never let me go  
Your blood is stronger there will not be another cause my heart will never let you go

The gift you gave has made a way  
Here in your heart I will always stay  
Giver of love so unrestrained  
Oh beautiful, oh beautiful

Abba Father, I am washed in the water by your love that will never let me go  
Your blood is stronger there will not be another cause my heart will never let you go

Abba Father, I am washed in the water by your love that will never let me go  
Your blood is stronger there will not be another cause my heart will never let you go

Beautiful, beautiful  
Beautiful, beautiful

You are

Beautiful, beautiful  
Beautiful, beautiful

You are

Beautiful, beautiful  
Beautiful, beautiful

Abba Father, I am washed in the water by your love that will never let me go  
Your blood is stronger there will not be another cause my heart will never let you go

Abba Father, I am washed in the water by a love that will never  
let me go  
Your blood is stronger there will not be another cause my heart  
will never let you go
