

Yield My Heart

Kim Walker-Smith

Holy Spirit come
Holy Spirit rest in this place
Teach us how to be one with You

I yield my heart to You
I yield my heart to You
I yield my heart to You
You're my King

Holy Spirit come
Holy Spirit rest in this place
Teach us how to be one with You

I yield my heart to You
I yield my heart to You
I yield my heart to You
You're my King

I am one with You
Nothing in this world could ever keep me from You

Nothing could separate me from Your love, Jesus

Holy Spirit come
Holy Spirit rest in this place
Teach us how to be one with You

Teach us how, teach us how, Jesus
To walk with You, as one with You, Jesus
Let us be a place where You can rest
Let us be a place where You can rest
With Your presence, God
To host Your presence, Jesus
Let us be a place where You can rest
Where You can pour out Your love, Your grace, Your kindness, Jesus
Teach us how, teach us how, Jesus
To walk everyday, everyday with You Jesus
And to yield our hearts, to give our hearts to You Jesus
To trust You, even when we cannot see
To trust You, even when the mountain seems so big
We will trust You, God,
Our faith will rise up from deep down inside
Cause we know that You are bigger still,
You are bigger still, You are bigger still, Jesus
We will yield our hearts, lay down our hearts for You, Jesus
We yield our hearts, we yield our hearts to You, Jesus

Holy Spirit come
Holy Spirit rest in this place
Teach us how to be one with you
