

Your Voice

Kim Walker-Smith

With Your voice speak to me
The words I long to hear

With Your hand guide my way
Through my night till darkness fades

I just want You
I just want You
I just want You

With Your hand guide my way
Through my night till darkness fades

I just want You
I just want You
I just want You

There is no greater need
You make my life complete
You set me free

Your voice alive in me
The sound of victory
You speak to me

Your voice is the light
Shining through the doorway
Of my heart and comes alive
When You speak into me

You're my life
You're my life
You're my life
You're my life

I just want You
I just want You
I just want You
