About You Now

Maybe I'm wrong, you decide Should've been strong, yeah, I lied Nobody gets me like you

Couldn't keep hold of you then How could I know what you meant? There was nothing to compare to

There's a mountain between us But there's one thing I'm sure of That I know how I feel about you

Can we bring yesterday back around? 'Cos I know how I feel about you now I was dumb, I was wrong, I let you down But I know how I feel about you now

All that it takes, one more chance Don't let our last kiss be our last I'm outta my mind just to show you

I know everything changes I don't care where it takes us 'Cos I know how I feel about you

Can we bring yesterday back around? 'Cos I know how I feel about you now I was dumb, I was wrong, I let you down But I know how I feel about you now

Not a day pass me by Not a day pass me by When I don't think about you

And there's no moving on 'Cos I know you're the one And I can't be without you

Can we bring yesterday back around? 'Cos I know how I feel about you now I was dumb, I was wrong, I let you down But I know how I feel about you now

Can we bring yesterday back around? 'Cos I know how I feel about you now I was dumb, I was wrong, I let you down But I know how I feel about you now But I know how I feel about you now But I know how I feel about you now
